**Minutes of the February 8, 2022, Put-In-Bay Township Regular
Board of Trustees meeting.**

Held at the Township Meeting Hall located at 624 Trenton Ave., Put-In-Bay, Ottawa County, Ohio.

At 10 am, Mr. Miller called the meeting to order. Mr. Miller led the Pledge of Allegiance. Mr. Miller asked the clerk to call the roll as follows: Mr. Engel – present; Mr. Cooper – present; Mr. Miller – present.

Minutes: The Board was presented with the December 30th continued meeting minutes, Mr. Engel motioned to approve the minutes. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. Mr. Cooper motioned to approve the January 11th regular meeting minutes. Mr. Engel seconded the motion. A roll call vote was taken, all said YES. Mr. Engel motioned to approve the January 20th special meeting minutes. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. Mr. Cooper motioned to approve the January 25th special meeting minutes. Mr. Engel seconded the motion. A roll call vote was taken, all said YES.

The Trustees were all in favor to amend the agenda to allow the department heads to give their reports first.

PIBVFD – Greg Dobos, Fire Chief: Greg reported that they have 15 new members that have completed and passed their final test from Fire Class. He is currently working with them on getting their insurance forms filled out and will turn them into the Township office once they are completed. They recently had ice rescue training with the new members of the department. There was a slight discussion on the department still waiting for their new ice rescue suits to be delivered. Greg reported that the Coast Guard is scheduled to come to the island this month for Ice Rescue training with the department. There was a discussion on the Coast Guard staying at the Commodore hotel here on the island for a night. Greg will talk to the Middle Bass Fire Department's Fire Chief and invite the department over for the Coast Guard ice rescue training. Fire School is scheduled for March and the department has at least 21 people interested in attending and they are signed up at Penta. The Trustees would like Greg to forward the Fire School information onto the Middle Bass Fire Department. Greg presented the Trustees with a quote from Fire Safety Services for new Turnout gear for 10 new sets that would cost \$36,150 total. Mr. Miller motioned to approve the purchase of 10 new Turnout gear sets up to \$40,000. This to be paid from fund 2111. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. Greg informed the Trustees that 3 of the new members need new Turnout gear due to sizes. He also stated that to receive new Turnout gear after once ordered will take 6 – 8 months to be delivered. Greg reported that the department is in need of new lockers for turn out gear. Due to the number of new members on the department they have run out of locker space for turnout gear. Greg would like to purchase 6 new rolling lockers that would cover 12 sets of turn out gear. Mr. Engel motioned to approve the purchase of 6 rolling lockers up to \$4,000. This to be paid from fund 2111. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. Greg presented the Trustees with a proposal for a compensation scale for the volunteers of the department. There was a discussion on paying the first 6 volunteers to show up first to a scene in full uniform to be paid \$50 per call that would probably cost about \$18,000 for department per year. The department has discussed and agreed that annual payment would be fine with them. Greg believes this would be a good motivation and better turn out for fire calls in the department. Greg has also presented the Trustees with a current roster for the department that includes the new members who just passed the fire class. Mr. Miller motioned to approve the current roster for the Put-in-Bay Volunteer Fire Department as presented to the Trustees (see attached). Mr. Engel seconded the motion. A roll call vote was taken all said YES.

EMS – Darrell Long, Manager: Darrell reported that they had 6 calls in January with 2 of those calls had to be transported off island. Mercy is coming to the island this morning to do inspections on the squads today. Darrell reported that the Auto Pulse batteries have been ordered and he will drop off invoice to the Township office once delivered. Darrell informed the Trustees that John Schneider has access to Rescue 3 on Middle Bass and will be able to check on it throughout the winter. Darrell is in the hiring process for another EMT for the upcoming summer season. There was a discussion on possibly bumping up the pay scale for an EMT for the upcoming summer season. There was a discussion on letting some people go that are on the current roster. Darrell will form a letter for non-returning people that are on the current roster and present it to the Trustees. Mercy has approved 3 fulltime employees for the upcoming summer season. Darrell said the maintenance department was able to help put chains on Rescue 3 before the last winter storm came thru. Rescue 3 on Middle Bass is currently having some issues. There was a discussion on whether or not Rescue 3 needs a battery charger and to go thru Lakeland Auto to purchase. Darrell will contact Chris at Lakeland Auto for recommendation along with a quote and present it to the Trustees next meeting. Darrell informed the Trustees the company they normally use for the EMS T-Shirts has gone out of business and he is currently looking locally for another options. They are still interested in the EMT Class that is online. Darrell will touch base with Middle Bass residents to see if they are still interested in taking the online course. There was a discussion on what Mercy needs from the Middle Bass Volunteer Fire Fighters that are Medics to be able to function as Medic's.

Senior Center – Chris Joyce, Manager: Chris presented the Trustees with the Senior Center’s 2021 Annual Reported (see attached). She reported that they had 400 participants in January. They are having a “Soup and Show” tonight at the Senior Center as well as a Super Bowl tailgate party on Sunday, February 13th. On Valentine’s Day they are having 2 French Class students along with Mrs. Rence, will be putting on a program at the Senior Center. At the end of this month, they will be having their monthly senior social at Topsy’s. Chris reported that she had a complaint by one of the Seniors that the Senior Center gets too cold mid-afternoon. She was wondering if there are any extra portable heater available or if they could purchase one to use when needed. The Trustees informed her to talk with the maintenance department first to see if they have any extra portable heaters that could be used at the Senior Center. Chris reported that the floors in the restrooms at the Senior Center are in need of a Professional Clean. Mr. Cooper will check around for quotes to get the restroom floors cleaned in the Spring.

MBVFD – Alan Leonard, Member: Alan reported that the department has suspended Amplex for the winter months. Alan will look into the status of the new fire members for the department. Alan will get a new updated roster from the Fire Chief and will email it to the Township office. There was a discussion on the department’s election of officers and by-laws, Alan will look into this information. Alan presented the Trustees with a Pest Spraying estimate. The Trustees would like to see the license needed from the Pest Spraying Company that gave the estimate, Alan will look into this. Alan would like to see a year-to-date Fund Activity Report for the department, Laurie will email him an updated report. There was a discussion on if the department needs any new turn out gear for new members. Alan will talk with the Fire Chief and have him send the Trustees a letter requesting new turn out gear and how many they need for the new members.

PIBPD – Sargent Wheeler: Sargent Wheeler discussed with the Trustees on what is needed from the Police Department in the Township. There was a discussion regarding some of the issues the Trustees had with the police department that were not being able to staff Middle Bass, unanswered calls, miscommunication and dispatching issues last year.

The stair chair that will be used on Middle Bass has been ordered and is currently being stored at Port Clinton Fire Department waiting for the ferries to start to deliver to Middle Bass. Mercy was over to do the inspections on Middle Bass. There was a slight discussion on the door code not working. Mr. Engel will contact Eddie Sheller on Middle Bass to take a look at the door code. There was a discussion on the Middle Bass EMT online class and waiting until fall now to get going. The Trustees suggested to maybe split the MB EMT online class into groups and have half take in the Spring and the other half take in the Fall, Bernice will look into it. Bernice reported that the Middle Bass address signs are ready to go and they have well over 100 to install. Bernice will work with Alan Leonard when she goes over to Middle Bass with the address signs to install. There was a discussion on keeping the ambulance stocked with proper drug box that is located on Middle Bass. Bernice will get the okay thru Mercy to keep a stocked drug box on said ambulance. Darrell reported that the Competencies will be held at the end of April here on South Bass. The Medical directors will be on South Bass on either Thursday, April 28th or Friday, April 29th. There was a discussion on figuring out a way to have a Medic on Middle Bass Fridays and Saturdays during the summer seasons. Darrell reported that he has tried to find out more about the Life Flight letter but no updates.

PIBFD – Doug Wilhelm, Asst. Fire Chief: Fire Chief Greg Dobos was unable to attend the meeting, so Asst. Fire Chief Doug Wilhelm attended for him. Doug reported that they had 2 calls in February; 1 Ice Rescue call off the State Park which was a Self-Rescue the Fire Department waited for the callers to make it ashore and 1 False Alarm call at the Town Hall which was called off before responding. They canceled the Ice Rescue suits due to no tentative delivery date. They decided to go with the cheaper ones because of the availability and tentative delivery date but never received them. Greg will reorder the better suits with built in cleats, cost will slightly increase and will forward the invoice over as soon as he receives it. Doug reported that they had to go with a new Fire Reporting Software which is called ESO Reporting Software. Fire Safety Services will be here end of the month to measure for turnout gear. Doug reported that Fire Cat will be here May 24 for hose testing.

The Trustees told her to talk to Jack first to see if the maintenance department has any extra heaters she could use. There was a discussion on EMS requesting to do a CPR class for the Seniors. Chris reported that she is checking with OCTA to see if they will still do trip for Seniors on the mainland.

Eric Engel – Trustee: Eric reported that he sat down with Greg Dobos to go over resolutions, etc. for zoning. Greg met with Mark Messa from Regional Planning and ordered zoning maps for the Township. Eric reported that Todd Blumensaadt will have repointed some of the headstones at the Middle Bass Cemetery but did not do the larger monuments. Todd is now able to repoint the larger monuments and will give Eric a quote. There was a discussion on having a conference call with the Township's Legal Counsel and the Middle Bass Fire Chief. Eric reported that Eddie Sheller will be working on getting equipment and the Township house on Middle Bass up and going for the upcoming season. Eric will contact the Taylors on Middle Bass to do cleaning and maintenance at the Township house.

Chris Cooper – Trustee: Chris reported that after talking with Joe Kostura on removing the pillar at Crown Hill Cemetery here on South Bass, that he will check with Jack to see if maintenance department can remove and extend the fence. Chris reported that they will do headstone washing in the Spring. He is trying to get a tablet hooked up to the internet for the Cemetery program. Chris stated he talked with Mayor Jess Dress and Village Administrator Anne Auger for the right of way driveway for the back of the EMS building. They have to do a dustless gravel coming in from Erie St. instead of Catawba Ave. Mr. Cooper motioned to approve the purchase on an EMS replacement computer up to \$600. This to be paid from fund 2281. Mr. Miller seconded the motion. A roll call vote was taken, all said YES. Chris reported that Sue Ferguson has been picking up trash alongside of the road and wasn't sure where to put it. The Trustees suggested she drop it off here at the Township and sort and separate recyclables. There was a discussion on purchasing trees for the Cemeteries here on South Bass and getting a list from tree commission for recommendations. The Trustees suggested the best time to plant trees is in the fall and to possibly have a dedicated person to water.

Matt Miller – Chairman: Matt reported that the Township should send out the ODOT invoice and to look at past invoices for reference. The Health Department annual meeting is coming up. Matt reported he has calls into the Sheriff to receive a draft from County for contract. There was a discussion on sending out public information explaining the new levy, money, workshop, etc. with the Sheriff Department. Also explain the advantage of going with the Sheriff Department and educate the public instead of explaining why we are. Matt reported that he has a meeting with the Township's Legal Counsel and Mannik Smith regarding the Deist Road emergency grant project Friday morning with ODNR.

There was a discussion regarding the use of the Senior Center's kitchen and the Trustees were all in agreement to saying no to using just the kitchen. If they want to rent the whole facility, they could discuss that at a later time to allow. Chris reported that the in-person County Advisory Board Meetings have finally resumed this month. The Senior Open House at Camp Perry is scheduled for September 21st. They also discussed that there will be a computerized tracking of participation for activities coming soon. Chris reported that there have been several Seniors asking to find a place to set up "Pickle Ball" courts. They asked if they could tape off a court area in the Senior Center/Fire Department parking lot. They would be able to remove the net and clear the court in seconds if there was an emergency for the Fire Department. She has spoke with Fire Chief Greg Dobos who agreed to allow the Seniors to use the parking lot but would prefer them to be as far away from the bay doors as possible. Chris reported that she will have each Senior who is participating in "Pickle Ball" to sign a "Release and Waiver of Liability, Assumption of Risk, & Indemnity Agreement" form that they have used in the past which should cover any Pickle Ball activities.

**Minutes of the June 21st, 2022, Put-In-Bay Township Continued Meeting
Board of Trustees meeting.**

Held at the Township Meeting Hall located at 624 Trenton Ave., Put-In-Bay, Ottawa County, Ohio.

At 10 am, Mr. Miller called the meeting to order. Mr. Miller led the Pledge of Allegiance. Mr. Miller asked the clerk to call the roll as follows: Mr. Engel – present; Mr. Cooper – present; Mr. Miller – present.

PIBVFD – Greg Dobos, Fire Chief: Greg reported they had 4 false alarm calls, 1 call for a boat fire, 1 call for a person and a lawnmower that fell off a cliff and 1 call for an EMS assist in May. Greg reported the department is in need of some new radios since theirs are starting to go bad. He informed the Trustees he found the TP-8,000 Series Radios on sale for \$250 with 3-year warranty and they are normally \$350 and would like to order approximately 10 radios. Mr. Engel motioned up to \$3,000 for the purchase of TP-8,000 Series Radios on sale for \$250 each. This to be paid from fund 2111. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. The department has had issues with their radios going down during wind storms and power outages on the island. There was a discussion regarding Greg have to run the Township's Safety Boat for police transports for exchange in police officer shifts as well as prisoner transports. The Trustees would like to start billing the Village for use of the Township's Safety Boat. Greg reported that Scott Jackson donated Woody Widmar's Harley trike to the fire department. The department plans to hold a raffle to raffle off the trike. They would like to sell 300 tickets at \$100 per ticket. Greg stated the Harley trike is valued possibly at \$18,000.

Zoning – Greg Dobos, Zoning Inspector: Greg reported that the zoning complaint letter regarding the house on Evelyn Drive located on South Bass has the wrong address on it. He informed the Trustees that he believes there is a conflict of interest with the said letter since his wife cleans that house and he mows that lawn, so he will not be involved with it. He said there was an issue with boats being stored on someone's property on Airline Road located on South Bass has been taken care of. There is an issue with a dumpster on Meechan Road located on South Bass that Greg is trying to take care of. He has been working with Brian Cultice on the barn he is building on his property that is located on South Bass and that he already knows is too tall. Greg reported that he does contact Regional Planning if necessary for permit questions.

Eric Engel – Trustee: Eric reported that Jack ordered new tires for vehicles on Middle Bass and Eddie Sheller will install. Eric reported that he found 2 recliner chairs for the Middle Bass house for about \$1,200 which the Trustees originally only approved up to \$1,000. Mr. Miller motioned to approve the extra \$200 to purchase 2 recliners for the Middle Bass house. This to be paid from fund 2281. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. Eric reported that the United States Coast Guard mutual aid agreement with the Township has been signed and sent back to the Coast Guard to be signed on their end. There was a discussion on how well Sherrif Steve Levorchick spoke at the Trustees meeting on Middle Bass recently. Eric reported that the Safety Boat needs a new radar and he will have Jack look into it.

Chris Cooper – Trustee: Chris reported that the cemetery headstones are currently being soft washed and look great. Brad Ohlemacher discussed with Chris about an idea to have an Allen Duff day within the Township. Chris is currently looking into finding out information on how to do something like that. A few South Bass residents have discussed with Chris that they think the intersection on Meechan Road and Put-in-Bay Road should be a 4-way stop sign instead of a 2-way stop sign. The Trustees also discussed the intersection by Joe's Bar in the Township on Meechan and Catawba Ave to make that a 3-way stop sign instead of the 2-way that it is currently. Chris would like to have a stump removed at the cemetery here on South Bass as well one on Mitchell Road and at Sue Latham's old house, he will contact Paul Lemmon. Chris will be attending the upcoming Property Owners meeting here on South Bass.

Matt Miller – Chairman: Matt reported that he has been looking into the Detroit Avenue requested easement. The Township never accepted the road from the County so the road is still currently owned by the County. Matt reported that the Deist Road grant project is getting close, they are nurturing Mannik and Smith along but close to 888 feet close to \$1 million. There was a discussion regarding a possible grant to help pay for police officers for 2 years that has been applied for. There was a discussion on whether or not the Township has received any money from the Village for the snow plow invoices, they would like a follow up letter sent to the Village. The Township received a noticed from First Energy (see attached) regarding flags on the electric poles. EMS – Darrel Long, Manager: Darrell reported that they had 27 runs in the Township, 81 runs in the Village, 5 runs on Middle Bass, 12 Walk-ins, 26 of those runs had to be transported and 20 of those runs had to be Life Flighted for June. Darrell reported that he has had call offs and no one taking shift, so that will result into an increase of overtime. There was a discussion on the Township's Middle Bass House having spiders and Mr. Engel will contact Al Leonard of the Middle Bass Fire Department to see if Lucky Lee's also spayed the house or not. There was a discussion on using Inter-Island Charter for transport of EMS Medic shift change for Middle Bass.

PIBVFD – Greg Dobos, Fire Chief: Greg reported that they had 16 calls in June; 1 call for a boat fire, 5 injury accident calls, 2 false alarm calls, 2 calls for trees down, 1 call for a Co detector on a boat, 1 EMS assist call for tying up a boat for a patient, 1 call for an elevator entrapment, 1 EMS transport call, 1 call to secure a broken dock and 1 call to assist tying up a 60 ft. yacht in strong wind. Greg reported that the 89 Ford has been checked out for pump test and are waiting on small parts for repair. The department's radios are in and have been working great. Greg would like to request 10 more radios to include for all fire trucks. Mr. Engel motioned to approve the purchase of 10 additional radios up to \$3,410. This to be paid from fund 2111. Mr. Cooper seconded the motion. A roll call vote was taken, all said YES. There was a discussion on Greg checking with Middle Bass Fire Department to see if they want any of the old radios from the Put-in-Bay Fire Department. Greg reported that they had a suitcase on fire and ammunition started exploding in the suitcase at the Put-in-Bay Resort. That being said, Greg would like to request to purchase bullet proof vest for the department. The Trustees would like Greg to get a motion from the Fire Department board stating they would all approve the Township to purchase bullet proof vest for the department. Greg reported that there is a dry hydrant at city docks. Judy Berry who is on Village Council and is in attendance at the meeting said she will inform council of the dry hydrant and get it taken

care of. There was a discussion on lengthening the fire lane on Delaware in front of the Roundhouse so they can turn right off of Lorain Ave. since Delaware is now a one-way street.

Senior Center – Chris Joyce, Manager: Chris was unable to attend the meeting, but had nothing new to report.

MBVFD: No one was in attendance. Mr. Engel reported on behalf of the department that they are currently working on getting cameras put in as well as getting the lock fixed on the door. The gate is currently broken and they have been having issues with residents dumping un-permitted items at the transfer station on Middle Bass. There was a discussion on getting a lock box over switch to have code or new gate remote to fix the issue.

Cemetery: Mr. Cooper presented an estimate to the Trustees to have Envirowash to soft wash the headstones at the Middle Bass Cemetery for \$2,000. Mr. Engel motioned to approve Envirowash to soft wash the headstones at the Middle Bass Cemetery for up to \$2,500. This to be paid from fund 2041. Mr. Engel seconded the motion. A roll call vote was taken, all said YES. There was a discussion on replacing the Mausoleum door at the Middle Bass Cemetery and asking Middle Bass resident Marty Harayda to do the work that had been approved.

Public Participation – Dave Lamme: Dave once again presented the Trustees with a zoning procedural challenge complaint against the Township's now retired zoning inspector as well as copies of a timeline with exhibits he presented (see attached). There was a discussion on the complaint and the Trustees informed him that he needs to go through the Township's Zoning Board of Appeals.

Public Participation – Paul Jeris & Brad Ohlemacher: Paul attended the meeting via Zoom and wanted to discuss with the Trustees that he and Brad were wanting to try to get a grant for Ottawa County for a highly needed fish cleaning area within the Township. There was a discussion about Huron County having a fish cleaning station that has a grinder and the fish grindings/guts can be purchased and removed. Brian will ask the city of Huron to get more information on how to get rid of the fish grindings/guts. Paul and Brad talked with the State Park here on South Bass about moving the current fish cleaning area from behind the Township's gate to a more open area. The Trustees are definitely open to the idea of getting a fish cleaning station for the Township here on South Bass. There was a slight discussion that it could be a difficult approval with the EPA. There was a discussion on how the state pushes fishing and no one wants to deal with the results. Brad and Paul explained that there are tourism related reasons why they want to pursue these grant projects for a fish cleaning station. Paul also discussed with the Trustees sending a letter to island residents thru Township's Legal Counsel regarding Bed tax and Resort tax on it being due and how to go about paying.

Public Participation – Judy Berry, Village Council: Judy reported that they recently had a Village council meeting and they wanted to ask about turning the Catawba Ave. and Meechan Rd. intersection into a 3-way stop. The Trustees informed her that they are in approval with the County to get that completed in the near future. There was a discussion on a fire truck not being able to get thru the ally at Mr. Ed's and the Grand Islander on Saturday and what the protocol is for a private road per Fire Department. Judy reported that they are aware of the lack of police officers for this season and have discussed the option of collecting a head tax, if it was possible. There was a discussion on the AG ruling on whether they can Levy both Resort Tax and Head Tax to bring in more money for the Police budget and if the Township would be willing to join the Village to find out those next steps. Judy informs the Trustees that she has concerns for future of the Put-in-Bay Police Department and whether or not they will be able to continue a contract with the Township due to lack of officers and funding. There was a discussion on asking the Lobbyist how to collect resort tax from a business once it has been sold, if they need to collect from the new owner what's due. Judy reported that there is another police commission meeting coming up on Tuesday, July 19th at 6pm and invited the Trustees to attend. There was a discussion on liquor establishments and if required to hire certified officer for certain times and who holds their commissions.

Public Participation – Joey Wolf: Joey suggested to the Trustees that they should hold another Town Hall meeting for the new Police Levy soon and she and Greg Dobos would be interested in running the meeting to support the levy. The Trustees informed Greg and Joey that Paula Ziebarth is interested in helping with the meetings to support the levy. Joey will get in touch with Paula so she can start being involved. The Trustees would like Joey, Greg and Paula to set up a special meeting to answer questions as a political action committee.

Eric Engel – Trustee: Eric reported the Port Authority would like to use a rock separator at Middle Bass and any damage done to the rock separator the Port Authority will be responsible for. Eric will coordinate with Jack for the rock separator. Eric sent in TRQ's to the Engineer regarding a private road sign at Bob Bahney's house here on South Bass and County will send a letter stating the sign impedes safety services; another was sent for an opinion on the intersection of Meechan and Put-in-Bay Road to make it a 4-way stop or place a cross traffic does not stop sign; and the other TRQ was for a drain on Deist Rd that is located on Middle Bass is collapsing and to have County come up with a way to provide pipe as well as fix the issue. There was a discussion on having Doug Sandwisch who is a Township employee could do the work to fix the drain if needed and TRQ was sent to see if the County could put up a curve and no parking signs on Deist Rd.

Chris Cooper – Trustee: Chris reported the Township Cemetery department would like to add a \$50 administration fee and to amend it into the Township's Cemetery Rules for transfers. Mr. Cooper motioned to amend the Township's Cemetery Rules to charge an administration fee for transfers. Mr. Engel seconded the motion. A roll call vote was taken, all said YES. Paul Lemmon will be out to do stump grindings at Maple Leaf Cemetery here on South Bass at the corner of Catawba and Lakeview and on Mitchell Road. Chris reported Envirowash is would be going to Middle Bass soft washing the headstones

Matt Miller – Trustee: Matt reported that he had a Deist Road meeting with ODNr recently. There was a discussion on if the Township's Safety Boat on gas being recently filled up and the radar needing worked on. There was another discussion on Fire Chief Greg Dobos having to do late night transports for the Police Department and the issue of not wanting to not drive the boat back to the island at night by himself. Matt informed Greg he will contact Sheriff Levorcheck about this issue. Mr. Cooper will also look into night vision equipment for the Township's Safety Boat.

Put-in-Bay Township Special Meeting
Monday April 29, 2024 7:00 pm

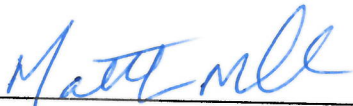

Members present were Mr. Miller, Mr. Cooper, Mr. Engel and Fiscal Officer Miller. Public present were Mr. Dave Schafer and Dustin Heineman.

Chairman Miller stated the special meeting was being held to approve and sign documents related to the sewer line on Catawba Ave. or if the documents have not been prepared to appoint Trustees to sign when they are available. The meeting was also to approve the posting of the seasonal part time recycling attendant's position.

A brief discussion regarding the Catawba Ave. sewer line took place to update everyone on the progress. The document from the Village of Put-in-Bay had not been sent to the Trustees for signature yet but the Trustees do not want to hold up the process. The Village has applied for and EPA grant to provide some of the funding for the project and the rest of the funding would come from ODNR to run the line to the State Park. Mr. Miller motioned that upon recommendation of the Ottawa County Engineers office after their review of the document, that each of the Trustees sign without having another Special Meeting. The motion was second by Mr. Engel. Roll call vote was taken, passed unanimously.

Mr. Engel motioned to post the Seasonal Part time Recycling Attendants job opening in the Gazette as well as on the Township's Facebook page for potentially up to 30 hours per week to also include some maintenance work, \$16.00 to \$20.00 per hour based on experience. The motion was second by Mr. Miller. Roll call vote was taken, passed unanimously.

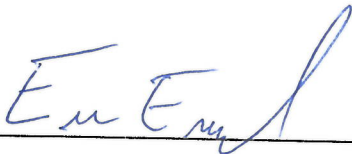

With nothing further, Mr. Engel motioned to adjourn the meeting. The motion was second by Mr. Cooper. Roll call vote was taken, passed unanimously. The meeting was adjourned at 7:15 pm.
